

“DURUM QUOTAZIONI”

The Durum Quotazioni App is produced by www.mercatigrano.it .

Durum Quotazioni shows the prices of durum wheat in the major italian markets:

- from Agrex, segment of the Italian Derivates market managed by Borsa Italiana, a company of London Stock Exchange Group, futures quotes of italian durum wheat,
- from market of Foggia, the prices of physical transactions.

These prices, combined with the comments of the most important companies and traders, on charts and international prices of durum wheat , offer an immediate overview of the current situation and future prospects in the price of durum wheat. The Durum Quotazioni App is particularly suitable for all operators in the durum wheat supply chain, from italian and foreign producers of durum wheat to processors.
